II. Communication between Parents and Preschool

- A. I understand that the Calendar provided at the beginning of the school year will inform me of recesses, holidays, events, activities etc. and I am expected to refer to it as a means of keeping abreast of the preschool schedule.
- B. I understand that our school is in session from September through June, following approximately the Smithtown School District calendar. Any additional departure from the Smithtown calendar may appear in the enlarged preschool calendar or in the Newsletter at least one month in advance.
- C. I understand that Preschool closings due to inclement weather will generally follow the Smithtown School District's closings and will be announced on the preschool's website, Facebook and Instagram accounts, WALK FM, Channel 12 News and on the school's answering machine. For any other emergency and/or unscheduled closings, the preschool office will inform me by phone. There will be no make-up dates for emergency or snow closings.
- D. I understand that weekly classroom newsletters will be provided to keep me informed of important matters regarding the Preschool.
- E. I understand that if I wish to visit and participate in the Preschool program, there will be days set aside for this purpose throughout the school year and I will be informed of this opportunity either through the monthly newsletter, calendar or through the preschool office.

III. Policies governing sick children

- A. For COVID-related health matters, please see the Preschool's COVID Reopening Plan located on our Home Page.
- B. I understand that if my child becomes ill or seriously injured during classtime, I will receive a phone call. If I cannot be reached, the persons listed on the Emergency Contact Form will be called in the order I listed them. Any minor mishaps or injuries will be reported to me at dismissal time.
- C. I understand that if my child is unwell, has a persistent cough, rash, fever (100.4 degrees or more), diarrhea, vomiting, appearance of pink eye or any symptoms that could be contagious or indicate the starting of an illness, I will not send him/her to Preschool until my physician has determined that he/she is no longer contagious to others.
- D. My child must be fever and/or symptom free for 24 hours before returning to school without the use of fever-reducing medication.
- E. I understand that I am to inform the Director or Teacher in writing of any medical problem, allergy or other special need that my child may have.
- F. I understand that Incident Report Forms are used to keep records and to follow-up of any serious incident that a child might encounter while in preschool. I will be informed at pick-up time or by phone of any serious incidents involving my child.
- G. I understand that I will notify the teachers and/or preschool office in writing of any changes regarding allergies (food or other) that my child may have acquired and I will add this information to my child's Emergency Card.

IV. Discipline philosophy and policies

- A. I understand that the Preschool emphasizes a positive approach to discipline and provides a non-sexist, non-violent environment where each child is encouraged to deal with and control his/her anxiety and anger and/or frustration through understanding, re-directing and verbalization rather than through suppression or acting out.
- B. I understand that teachers are knowledgeable of the developmental stages of children in their group and any discipline strategies used are developmentally appropriate.
- C. I understand that each child is guided to learn and that they are free to make choices as long as they stay within the limits of consideration for others.
- D. I understand that children are guided to learn what is expected of them and what is acceptable behavior through modeling appropriate behavior and through explaining the preschool rules to them, why they are needed (safety, courtesy, etc.), reinforcing them and reminding of them often.
- E. I understand that the Preschool's view on discipline is never to shame, threaten, isolate or punish children physically or emotionally. Preschool staff handle discipline by re-directing, giving acceptable choices and recommending acceptable behaviors whenever possible.
- F. I understand that a time-out (or breather) is used only when a child needs to be removed from a situation for his/her or others' safety and/or to give him/her time to calm down. The child on time-out (or breather) will be removed from the main activity but remain in the classroom and/or taken for a walk outside the classroom. Time-out (or breather) is followed by a discussion about the incident either one-to-one or with the whole group as appropriate.

V. Responsibilities of Parents

- A. I understand that before beginning the program, I must submit my child's health form, including his/her physical and record of immunizations as required by the New York State and signed by the child's physician.
- B. I understand that my child will be picked up by me or an authorized person designated by me in writing on the emergency contact card provided and that members of the staff may ask for identification at any time.

- C. I understand that I or an authorized adult person will be responsible for walking my child into the classroom at drop-off time and pick-up from the classroom. A teacher or assistant will be by the door for the safety of my child.
- D. I understand that no child will be released to anyone suspected of being under the influence of drugs or alcohol.
- E. I understand that I will bring my child to preschool on time, but not early, and I will pick him/her up promptly when class has ended.
- F. I understand that the classroom and building doors will remain locked until arrival and pick up times. If my child is late and the doors are locked, I will bring my child to the preschool office doors for entrance.
- G. I understand that the teacher cannot converse at length with me at drop-off or pick-up time, but these times are good for short exchanges of information provided the teacher is able to provide this time and that confidentiality is not an issue.
- H. I understand that Parent Teacher Conferences will be held in the Fall and Spring. These conferences are for my child's benefit and I will be able to discuss his/her progress with the Teacher. If a matter cannot wait until the conference I may also discuss my child's progress by appointment with either the teacher and/or director.
- I. I understand that my child is expected to wear comfortable play clothes and shoes/sneakers to preschool. Snow boots, jackets, raincoats, and sweatshirts should be marked with my child's name.
- J. I understand that my child should be toilet trained (for the three- and four-year old program) and is expected to wear underpants, to be able to wipe themselves after using the toilet, and to be able to pull his/her clothes down and up. I understand that if my three-year old child is not fully toilet trained, he/she must have a very good awareness of toilet training and that pull-ups are allowed to start the three-year old program. A teacher or assistant may assist my child, to talk him/her through any toileting challenges, to help with zippers, snaps or buttons, and to make sure his/her hands are satisfactorily washed with soap and water and dried with a clean paper towel after toileting. The staff member may also assist in special circumstances when a child has an accidental wetting. In some cases of accidental soiling, I may be called to come in to attend to my child.
- K. I understand that my child does not have to be toilet trained for the two-year old Tiny Tots program. The use of diapers or pull-ups are allowed to be worn in the Tiny Tots program. In the case of a soiled diaper/pull-up, I understand that I will be called to come in and attend to my child.
- L. I understand that my child may not bring personal toys to class unless requested by the teacher or on Show & Tell days in the four-year old program.
- M. I understand that if my child is having a birthday, I will bring in a snack for the class by prior arrangement with the teacher and that, if I am giving my child a birthday party, I will mail the invitations directly to the guests' homes.

I understand that the Director will be available for answering any questions or concerns I may have regarding administrative, financial, procedural matters and/or to discuss any other matter of importance. The Director will be available by appointment or by phone at 631-862-8934 during office hours.
- E. I understand that the teachers or Director will remain approachable and available (either before/after school or by appointment) if I have any questions or concerns about my child. In the interest of building trust between the parent and staff, all communications will be conducted in a confidential, professional and amiable manner. Every effort will be made to address and satisfy parental concerns in an agreeable fashion. However, any adult who disrupts, intimidates, or threatens the well-being of the children, staff or the sanctity of the learning environment will be asked to leave immediately, held fully accountable, and the Preschool partnership re-evaluated which may result in the termination of all enrollment agreements.
- F. I understand that St. James Lutheran Preschool, in extreme circumstances, may decide to terminate immediately the enrollment of any child. Some of the reasons for immediate termination include, but are not limited to:
 - 1) Failure of parents to pay tuition.
 - 2) Failure to complete and sign any required forms.
 - 3) Lack of parental cooperation.
 - 4) The Preschool's inability to meet the child's needs without additional staff.
 - 5) Gross misconduct on the part of the parent or the child.
